Please reject the NAB's petition 04-160 and to support SIRRIUS AND XM's ability to provide the kind of programming that I pay for. Both my husband and I benefit from listening to XM Satellite Radio and its traffic and weather channels. We believe that satellite radio provides variety and quality that are not available anywhere else. Since I pay for these services and it should not be up to the National Association of Broadcasters to dictate what I am permitted to hear.

Please reject the NAB's petition 04-160.
